Press Release

Amber Fixler recently joined staff at RPF Associates, Inc.

Northwood, New Hampshire, August 2, 2006: RPF Associates, Inc., an environmental health and safety (EH&S) consulting and testing firm, is proud to announce that Amber Fixler recently joined their staff. Ms. Fixler will be working as an EH&S Specialist providing industrial hygiene, safety, indoor air quality, and asbestos testing and consulting services throughout New England.

Ms. Fixler received a B.A. from University of New Hampshire – College of Engineering and Physical Sciences in Earth Science.

RPF Associates, Inc. specializes in providing indoor air quality assessments; construction safety; OSHA and EPA compliance services; site inspections for asbestos, lead, and other environmental hazards; and corporate health and safety training programs for clients throughout New England. You can visit their web site at www.airpf.com, email at safeair@airpf.com, or call 1-888 SAFE AIR.
